

Hair Preparation Technician

Job Description

Cansford Laboratories is a state-of-the-art Hair and Oral Fluid Drug and Alcohol Testing Lab based in Cardiff. Cansford Laboratories are market leaders in the latest methods of Drug and Alcohol Testing and has a team with enviable pedigree, who pioneered hair testing over 25 years ago. Today the Laboratory offers a modern, fast, class-leading service.

We are looking for a part time Hair Preparation Technician to join our dynamic, innovative team. The successful candidate will have impeccable attention to detail, will be reliable, responsible and accountable. Able to work self-directed, you will be a team player with excellent organisational skills.

Reporting to our Laboratory Manager, the main duties of the role will include:

- Calibration and balances of laboratory equipment
- Preparation of hair samples for analysis to the client's instruction
- Preparation of laboratory solutions
- Replenishment of chemicals
- Archiving and disposal of samples as required
- General laboratory procedures and housekeeping
- Supporting other members of staff in their work as appropriate or as directed by management
- Activity participating in CPD and training opportunities

In return we offer excellent rates of pay, a 6-month probationary period (during which all training will be given by a member of our highly qualified team) and 25 days annual leave.

You will also be enrolled into our pension scheme.

The rate of pay will be reviewed upon successful completion of the probationary period.

The successful candidate will be offered 20 hours per week to be worked between 7:30am and 11:30am Monday to Friday.

If you are interested please email your CV, along with a brief covering letter.

Successful candidates will be invited to attend an interview within the coming fortnight.

The closing date for applications is Friday 27th December 2019

Job Type: Part-time

Salary: £10.26 per hour
